Benefits may be subject to any limitations set forth in the policy. *Coverage is not provided for basic hospital, basic medical-surgical or major medical expenses.*
2. **Read Your Policy Carefully.** This outline of coverage briefly describes the important features of the coverage. This is not the insurance contract. Only the policy itself sets forth in detail the rights and obligations of both you and Aflac. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!** *REMEMBER, if you are not satisfied with your policy, you have 30 days to return it to Aflac and get your money back.*

3. **Annual Premium** \$_____.

You Pay \$_____ per _____.

4. **Benefits.** The following benefits are a part of the policy.

Aflac will pay the following benefits, as applicable, if your Disability is caused by a covered Sickness or covered Off-the-Job Injury and occurs while coverage is in force. All benefits are subject to the Limitations and Exclusions, Pre-existing Condition Limitations, and other policy terms.

Disability due to pregnancy and childbirth is payable to the same extent as a covered Sickness. Disability benefits for childbirth will be payable only when conception occurs after the Effective Date of the policy. The maximum period of Disability allowed for Disability due to childbirth is six weeks for noncesarean delivery and eight weeks for cesarean delivery, less the Elimination Period, unless you furnish proof that your Disability continues beyond these time frames. Complications of Pregnancy will be covered to the same extent as a Sickness.

Benefits will be paid for only one Disability at a time, even if the Disability is caused by more than one Sickness, more than one Injury, or a Sickness and an Injury. **We reserve the right to meet with you while a claim is pending, or to use an independent consultant and Physician’s statement to determine whether you are qualified to receive Disability benefits. You must be under the care and attendance of a Physician for these benefits to be payable. Benefits will cease on the date of your death.**

A. TOTAL DISABILITY BENEFITS:

1. **Working Full Time:** If you have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If your covered Sickness or covered Off-the-Job Injury causes your Total Disability within 90 days of your covered Sickness or covered Off-the-Job Injury, we will pay you the Daily Disability Benefit for each day of your Total Disability. This benefit is payable up to the Total Disability Benefit Period you selected and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled “Term,” and the definition of “Benefit Period.”

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician to perform the material and substantial duties of your Full-Time Job, or (2) working at any job.

2. **Not Working Full Time:** If you do not have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If your covered Sickness or covered Off-the-Job Injury causes you to be unable to perform the duties of any occupation for which you are or become qualified by reason of education, training, or experience within 90 days of such covered Sickness or covered Off-the-Job Injury, as certified by a Physician, we will pay you the Daily Disability Benefit for each day you cannot perform such duties. This benefit is payable up to the Total Disability Benefit Period you selected and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled “Term,” and the definition of “Benefit Period.”

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician to perform the material and substantial duties of your Full-Time Job, (2) working at any job, or (3) Physician no longer being able to certify that you are unable to perform the duties of any occupation for which you are or become qualified by reason of education, training, or experience.

Separate periods of Disability, resulting from the **same or a related condition** and not separated by 180 days or more, are considered a continuation of the prior Disability. Once the maximum Total Disability Benefit Period has been paid, you will not be eligible for a new Total Disability Benefit Period for Disability due to the same or a related condition, until 180 days after you: (1) have been released by a Physician from the prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Separate periods of Disability, resulting from **unrelated causes** and not separated by your returning to work at a Full-Time Job for 14 working days during which you are performing the material and substantial duties of such job, are considered a continuation of the prior Disability. Once the maximum Total Disability Benefit Period has been paid, you will not be eligible for a new Total Disability Benefit Period for Disability due to an unrelated cause, until 14 working days after you: (1) have been released by a Physician from a prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Periods of Disability meeting either of these separation requirements will begin a new Total Disability Benefit Period, subject to a new Elimination Period.

B. PARTIAL DISABILITY BENEFIT: If you have a Full-Time Job at the time of your Sickness or Off-the-Job Injury, we will insure you as follows while coverage is in force:

If your covered Sickness or covered Off-the-Job Injury causes your Partial Disability within 90 days of your covered Sickness or covered Off-the-Job Injury, we will pay you one-half of the Daily Disability Benefit for each day of your Partial Disability. This benefit is payable up to the Partial Disability Benefit Period (a maximum period of three months) and is subject to the Elimination Period shown in the Policy Schedule. Also see the Uniform Provision titled "Term," and the definition of "Benefit Period."

You will no longer be qualified to receive this benefit upon the earlier of your: (1) being released by your Physician to perform the material and substantial duties of your Full-Time Job, or (2) working at any job earning 80 percent or more of your pre-Disability Annual Income.

Separate periods of Disability, resulting from the **same or a related condition** and not separated by 180 days or more, are considered a continuation of the prior Disability. Once the maximum period of three months of Disability under this benefit has been paid, you will not be eligible for a new Partial Disability Benefit Period for Disability due to the same or a related condition, until 180 days after you: (1) have been released by a Physician from the prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Separate periods of Disability, resulting from **unrelated causes** and not separated by your returning to work at a Full-Time Job for 14 working days during which you are performing the material and substantial duties of such job, are considered a continuation of the prior Disability. Once the maximum Partial Disability Benefit Period has been paid, you will not be eligible for a new Partial Disability Benefit Period for Disability due to an unrelated cause, until 14 working days after you: (1) have been released by a Physician from a prior Disability, (2) are no longer disabled, and (3) are no longer qualified to receive any Disability benefits under the policy.

Periods of Disability meeting either of these separation requirements will begin a new Partial Disability Benefit Period (a maximum period of three months), subject to a new Elimination Period.

The Partial Disability Benefit Period is not subject to the Total Disability Benefit Period.

C. WAIVER OF PREMIUM BENEFIT: If your covered Sickness or covered Off-the-Job Injury causes your Total Disability or Partial Disability for more than 90 consecutive days (or after the Elimination Period shown in the Policy Schedule, whichever is greater) while the policy is in force, Aflac will waive, from month to month, the premium for the policy and any applicable rider(s) for as long as you remain disabled, up to the applicable Benefit Period shown in the Policy Schedule.

For premiums to be waived, Aflac will require an employer's statement and a Physician's statement certifying your inability to perform said duties or activities, and may each month thereafter require a Physician's statement that your inability to perform said duties or activities continues. Aflac may ask for and use an independent consultant to determine your Disability when this benefit is in force.

You must pay all premiums to keep the policy and any applicable rider(s) in force until Aflac approves your claim for this Waiver of Premium Benefit. You must also resume premium payment to keep the policy and any applicable rider(s) in force, beginning with the first premium due after you no longer qualify for Disability benefits.
