

THERE IS ONLY ONE YOU. OR IS THERE?

YOU HAVE ENOUGH TO THINK ABOUT—
DON'T LET IDENTITY THEFT ADD TO
YOUR WORRY.

Receive a full year of **Aflac Fraud Protection**, powered by **EZShield**, at no cost.

When you protect your identity, you protect your peace of mind.

Considering that fraud and identity theft impact U.S. consumers every two seconds¹, it is no wonder these issues are among the top fears in our country. Fortunately, your employer and Aflac have teamed up to provide you with an easy way to reduce your risk of becoming the next victim.

Aflac Fraud Protection, powered by EZShield, is now available to you as part of your employer's benefits package at no cost. This program lets you enjoy the peace of mind that you deserve — giving you more time to focus on what matters most to you.

Understanding the problem provides perspective.

PROBLEM:	EFFECT:
IDENTITY THEFT AFFECTS OVER 35K U.S. CONSUMERS PER DAY ¹	TIME SPENT BY A VICTIM 25 HOURS TO RESOLVE IDENTITY THEFT ¹

Aflac Fraud Protection helps alleviate the burden of fraud and identity theft with an all-encompassing "Secure, Monitor, Restore" approach to protecting personal information and finances — saving you time and money.

Why you'll love this program.

- It provides you with a convenient Online Identity Vault — encrypted digital storage for personal and account information, and vital documents, images and other data.
- It gives you a secure mobile app — on-the-go access to manage your identity.
- It offers you clear communication — timely fraud news, alerts, educational protection tips and monthly informational emails.
- It delivers 24/7 award-winning fraud protection and support.

What you can expect to receive from your Aflac Fraud Protection.

- A **welcome email** with steps to activate the online features of your protection.
- **Email alerts** if your information is discovered on black market websites.
- A **monthly Activity Report email** detailing your account status and protection tips.
- A **monthly Breach Alert email** to make you aware of recent breaches and scams.
