24-HOUR ACCIDENT-ONLY INSURANCE

Policy Series A35000

Added protection for you and your family

Even if you're well prepared, accidents happen. And they happen to all kinds of people every day. What's even more unexpected are the out-of-pocket expenses associated with them—even if you have major medical insurance.

That's how Aflac can help. Aflac pays cash benefits directly to you (unless otherwise assigned) to help with things like out-of-pocket medical expenses, the rent or mortgage, groceries, or utility bills. Helping you with the medical expenses that major medical doesn't cover—and much more.

The Aflac Accident Indemnity Advantage® insurance policy has:

- No deductibles and no copayments
- No lifetime limit—policy won't terminate based on the number of claims filed or the dollar amount of claims paid
- No network restrictions—you choose your own healthcare provider
- No coordination of benefits—we pay regardless of any other insurance

Understand the difference Aflac can make in your financial security.

For over 60 years, Aflac has been dedicated to helping provide individuals and families peace of mind and financial security when they've needed it most. Our Accident Indemnity Advantage® insurance policy is just another way to help make sure you're well protected.

Most accidents are unpredictable. But their impact on your finances doesn't have to be.

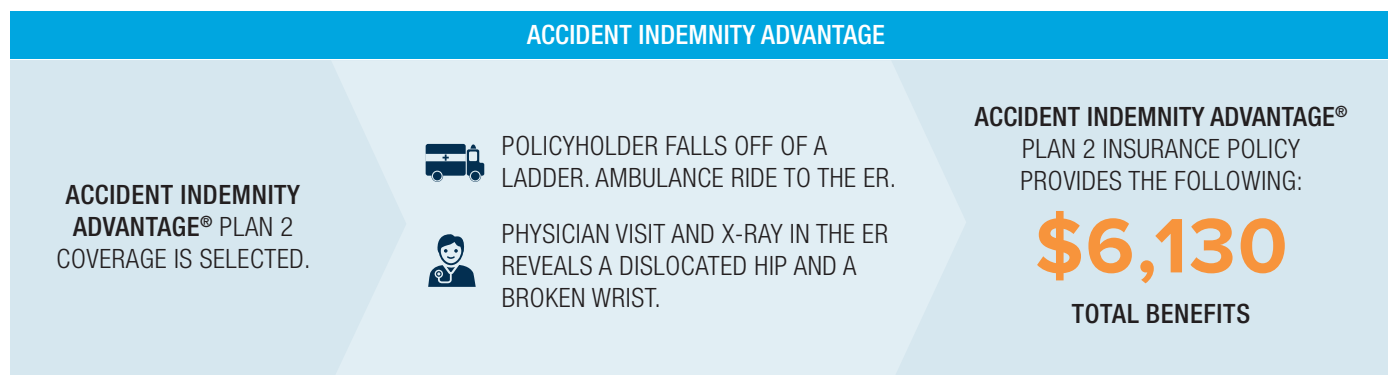

So, what would an injury or trip to the emergency room mean to your savings? Out-of-pocket expenses associated with an accident are unexpected and often burdensome; perhaps the accident itself could not have been prevented, but its impact on your finances and your well-being certainly can be reduced.

Aflac enables you to take charge and to help provide for an unpredictable future by paying cash benefits for accidental injuries. Your own peace of mind and the assurance that your family will have help financially are powerful reasons to consider Aflac.

A common-carrier vehicle is limited to only an airplane, train, bus, trolley, or boat that is duly licensed by a proper authority to transport persons for a fee, holds itself out as a public conveyance, and is operating on a posted regularly scheduled basis between predetermined points or cities at the time of the accident. A passenger is a person aboard or riding in a common-carrier vehicle other than (1) a pilot, driver, operator, officer, or member of the crew of such vehicle; (2) a person having any duties aboard such vehicle; or (3) a person giving or receiving any kind of training or instruction. Spouse is defined as the person to whom you are legally married and who is listed on your application. Newborn children are automatically covered under the terms of the policy from the moment of birth. If coverage is for individual or named insured/spouse only and you desire uninterrupted coverage for a newborn child, you must notify Aflac in writing within 31 days of the birth of your child, and Aflac will convert the policy to one-parent family or two-parent family coverage and advise you of the additional premium due.
