### ACCIDENT-ONLY INSURANCE – OPTION A

When accidents happen, make sure you have the advantage.

THE POLICY IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES.

Policy Series A37000

## Aflac Accident Advantage

Accidents can happen to anyone, any time. If you are injured in an accident, will you have the financial resources needed to pay your insurance deductibles and copayments, as well as the everyday bills that would continue to arrive? If you're like many Americans, you might find it a struggle.

## Give yourself an advantage – the Aflac Accident Advantage.

Aflac isn't health insurance, because health insurance pays doctors and hospitals. Instead, our accident insurance policy pays cash benefits directly to you (unless otherwise assigned) if you're hurt in a covered accident. It provides additional protection to help keep your finances secure, whether you're injured on the road, at home or on the sports field. It provides benefits for things like:

- Emergency room visits
- Hospitalization
- Diagnostic exams
- Physical therapy
- Follow-up treatment

### Wherever you are, we're there too

Here's some very good news: In the past, Aflac's accident insurance was available only at traditional workplaces. It's now available to you no matter where (or how) you work – whether you're freelance or full time, whether you're a solopreneur or working at a startup. And you can apply online in just minutes.

## Understand the difference Aflac can make in your financial security.

Aflac pays cash benefits for covered accidents. Your own peace of mind and the assurance that your family will have help financially are powerful reasons to consider Aflac.

### We put you first

Aflac is on your side. If you're hurt in an accident, we'll work hard to put money in your pocket fast. There are no copayments or deductibles, and you can use your benefits any way you choose.

### A promise to stick with you

Sure, we'll be here for you when you file an accident claim. But we'll also be here when you don't to celebrate your good health with a health screening benefit.

### A policy that's good for your health – and your finances

Aflac's Accident Advantage helps give you the peace of mind that comes from knowing Aflac is ready to help when you need us. After all, accidents can be expensive. Even if you have health insurance in place, the out-of-pocket costs stemming from an accidental injury can seriously strain your budget. Accident coverage from Aflac can help relieve the pressure and allow you to focus on recovery – not on your finances. **Go ahead, make sure you have the advantage. The Aflac Accident Advantage.**
