## ACCIDENT-ONLY INSURANCE – OPTION 2

Policy Series A38000

### **Accidents can happen at any moment. Let Aflac help ease the financial pain**

Accidents can happen at any time and treating them can be costly. Even with health insurance there may be out-of-pocket costs — causing everyday expenses to suddenly seem overwhelming. Aflac Accident Insurance helps provide financial protection if a covered accidental injury occurs.

Health care costs continue to rise, and health insurance wasn't designed to cover everything. From out-of-pocket medical costs to time away from work, the financial impact can be surprising. Aflac can help cover those costs. Best of all, you get paid directly (unless otherwise assigned) — not the doctor or hospital.

Aflac has been there for our policyholders for nearly 70 years — in some of their most challenging moments. Aflac Accident Insurance can help give you peace of mind if you experience an accidental injury so you can focus on recovery rather than worrying about finances.

## Understand the difference Aflac can make in your financial security.

Aflac pays cash benefits for covered accidental injuries directly to you, unless assigned. Your own peace of mind, and the assurance that your family will have help financially, are powerful reasons to consider Aflac.

**ACCIDENT-ONLY COVERAGE**

**THE POLICY PROVIDES LIMITED BENEFITS.**

**BENEFITS PROVIDED ARE SUPPLEMENTAL  
AND NOT INTENDED TO COVER ALL MEDICAL EXPENSES.**

**OUTLINE OF COVERAGE**

**This IS NOT A MEDICARE SUPPLEMENT policy. If you are eligible for Medicare, review the *Guide to Health Insurance for People with Medicare* available from Aflac.**

- (1) Read Your Policy Carefully. This outline of coverage provides a very brief description of the important features of the coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and Aflac. It is, therefore, important that you READ YOUR POLICY CAREFULLY!
- (2) Accident-Only coverage is designed to provide, to persons insured, coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- (3) Aflac will pay the following benefits as applicable if a Covered Person's Accidental Death or Injury is caused by a covered accident. Accidental-Death or Injury must be independent of Sickness or the medical or surgical treatment of Sickness, or of any cause other than a covered accident. A covered Injury must also occur while coverage is in force and is subject to the Limitations and Exclusions. A charge is not required for benefits to be payable.

Once the maximum is reached, the Building Benefit Amount will no longer increase.
