Accidents can happen at any moment. Let Aflac help ease the financial pain

Accidents can happen at any time and treating them can be costly. Even with health insurance there may be out-of-pocket costs — causing everyday expenses to suddenly seem overwhelming. Aflac Accident Insurance helps provide financial protection if a covered accidental injury occurs.

Health care costs continue to rise, and health insurance wasn't designed to cover everything. From out-of-pocket medical costs to time away from work, the financial impact can be surprising. Aflac can help cover those costs. Best of all, you get paid directly (unless otherwise assigned) — not the doctor or hospital.

Aflac has been there for our policyholders for nearly 70 years — in some of their most challenging moments. Aflac Accident Insurance can help give you peace of mind if you experience an accidental injury so you can focus on recovery rather than worrying about finances.

Understand the difference Aflac can make in your financial security.

Aflac pays cash benefits for covered accidental injuries directly to you, unless assigned. Your own peace of mind, and the assurance that your family will have help financially, are powerful reasons to consider Aflac.

What does the Aflac Accident Insurance policy include?

- Benefits payable for fractures, dislocations, lacerations, concussions, burns, emergency dental work, eye injuries and surgical procedures.
- Benefits payable for initial treatment as well as follow-up care, including therapy and mental health treatment.
- A hospital confinement benefit that increases every year you have the policy, for a five-year period.
- An intensive care unit benefit that increases every year you have the policy, for a five-year period.
- An accidental death benefit.

Why Aflac Accident Insurance may be the right choice for you:

- We pay you, not the doctor or hospital.
- No underwriting questions to answer.
- No coordination of benefits—we pay regardless of any other insurance you may have.
- No network restrictions—you choose your own health care provider.
- Portable—take the plan with you if you change jobs or retire.*

*Coverage remains in force as long as premiums are paid.

If you die and your Spouse becomes the new Named Insured, premiums will start again and be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.

While this benefit is being paid, Aflac, at its own expense, may ask for and use an independent consultant to determine whether you can perform an ADL.

You must pay all premiums to keep the policy and any applicable rider(s) in force until Aflac approves your claim for this Waiver of Premium Benefit. You must also resume premium payment to keep the policy and any applicable rider(s) in force, beginning with the first premium due after you no longer qualify for Waiver of Premium Benefits.

family (named insured, spouse, and dependent children). Spouse is defined as the person to whom you are legally married and who is listed on your application. Newborn children of the named insured or spouse are automatically covered under the terms of the policy for 30 days from the moment of birth. If individual or named insured/spouse only coverage is in force and you desire uninterrupted coverage for a newborn child, you must notify Aflac in writing within 31 days of the child's birth. Upon notification, Aflac will convert the policy to one-parent family or two-parent family coverage and advise you of the additional premium due, if any. Coverage provided under any one-parent family or two-parent family policy will continue to include any other dependent child, regardless of age, who is chiefly dependent upon the policy owner for support and maintenance and incapable of self-sustaining employment by reason of intellectual or physical disability, and who became so incapacitated prior to age 26. Dependent children are your children, stepchildren, legally adopted children, children placed with you for adoption, or children for whom you are appointed as the legal guardian and who are under age 26. Dependent children are not required to live in the household with the named insured. Your grandchildren or your spouse's grandchildren are not covered under the policy unless you or your spouse are their legal guardian. A dependent child (including persons incapable of self-sustaining employment by reason of intellectual or physical disability) must be under age 26 at the time of application to be eligible for coverage.
