RIDER SUMMARY PAGE

Policy Rider A74050VA

WHAT WE WILL PAY

First-occurrence benefit

The First-Occurrence Benefit will be increased by \$500 on each rider anniversary date while the rider remains in force. (The amount of the monthly increase will be determined on a pro rata basis.) This benefit will be paid under the same terms as the First-Occurrence Benefit. This benefit will cease to build for each covered person on the anniversary date of the rider following the covered person's 65th birthday or at the time of a specified health event, subject to the Limitations and Exclusions of the policy, for that covered person, whichever occurs first. However, regardless of the age of the covered person on the effective date of the rider, this benefit will accrue for a period of at least five years unless a specified health event is diagnosed prior to the fifth year of coverage.

DEFINITIONS

Effective date

The effective date of the rider is as stated in the Policy Schedule.

Termination

The rider will terminate if the policy to which it is attached terminates, when the benefit has been paid to all covered persons as described in the First-Occurrence Benefit listed in your policy, or if the premium for the rider is not paid (subject to the grace period provision listed in the policy).
