No one likes to think about the need for life insurance. But when people depend on you, Aflac is here to help you ensure their financial futures with life insurance benefits. Our term life insurance is an important way to help protect your family.

Aflac herein means American Family Life Assurance Company of Columbus.

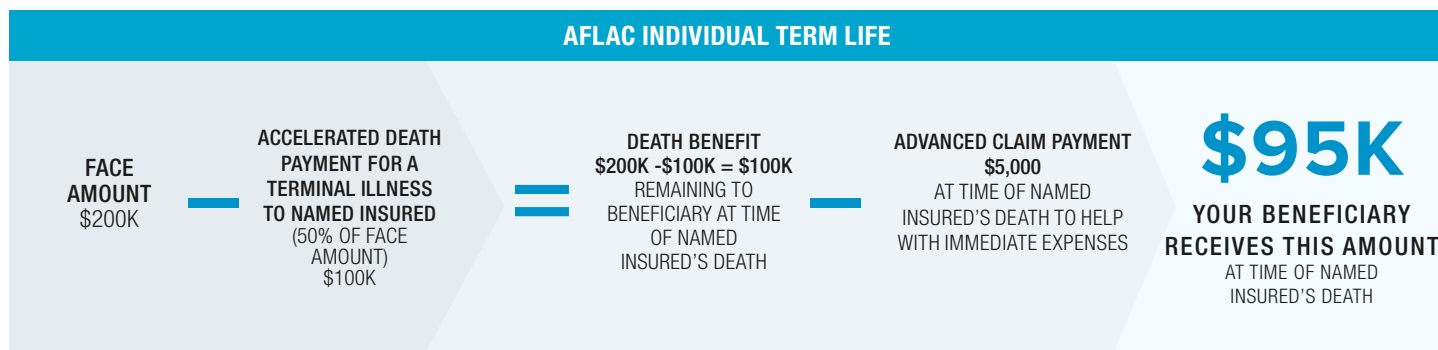

Understand the difference Aflac can make in your financial security.

For more than 60 years, Aflac has been dedicated to helping provide individuals and families peace of mind and financial security when they've needed it most. Our term life insurance policies are just another way to help make sure you're well-protected.

Why choose Term Life insurance?

- **Premiums are guaranteed for the selected term option** – You will know how much your coverage will cost from month to month and year to year.
- **Higher face amount** – Term life insurance offers the most face amount coverage for the lowest cost.
- **Lower premiums** – Depending on your age and smoking status, term life premiums may be lower than those for whole life insurance policies.
- **Flexible coverage** – Provides protection for a specified time period or term – 10, 20, or 30 years – and is designed for temporary circumstances. Term coverage often is purchased by those who need coverage for a specific time period, such as while they have young children, children in college, or are carrying a large debt load.
- **Policy renewal** – If, at the end of your 20-year or 30-year term, your policy has not lapsed and is still in force, you will have the option to renew your policy on an annual basis.
- **Advanced claim payment** – Pays \$5,000 in advance of the full death benefit to help beneficiary with immediate needs.
- **Accelerated Death Payment for a Terminal Illness** – Pays up to 50% of the face amount shown in the Policy Schedule.

How it works

The above example is based on a scenario for 20-year term life insurance with a \$200,000 face amount.

This is a brief product overview only. Coverage may not be available in all states. Benefits/premium rates may vary based on coverage selected. Optional riders are available at an additional cost. WHAT IS COVERED?

| | |
|--|--|
| ADVANCED CLAIM PAYMENT – PRIMARY INSURED ONLY | Aflac may pay \$5,000 upon the death of the named insured and notification by the beneficiary. This can be used to help with immediate needs – like funeral expenses or any other unexpected expenses. The death benefit will be reduced by this amount. |
| ACCELERATED DEATH PAYMENT FOR A TERMINAL ILLNESS – PRIMARY INSURED ONLY | <p>Aflac will pay up to 50 percent of the face amount selected if the named insured is diagnosed with a terminal illness. The payment can help you and your loved ones with the expenses of a terminal illness (such as home nursing care, special equipment and hospitalization). The benefit will be paid only once.</p> <p>Any accelerated death payment will automatically establish a lien against the policy. Aflac shall hold the lien as a debt against the death benefit, policy benefits and/or any other policy liens in existence under the policy. Any accelerated death payment amount requested will be reduced by any existing due and unpaid premiums, statutory child support liens, or liens secured by the policy, plus unpaid interest and administrative charge.</p> |
| CONVERSION | You may convert the policy while it is in force to an individual permanent life policy without evidence of insurability, subject to policy requirements. The conversion privilege in the term policies must be exercised the earlier of the end of the term period, or on or before the policy anniversary date following your 65th birthday. Refer to the exact policy for complete details. |

OPTIONAL RIDERS

| WAIVER OF PREMIUM BENEFIT RIDER (RIDER ICC18B60051) – PRIMARY INSURED ONLY (ISSUE AGES 18-59) | Policy premiums will be waived if you become totally disabled under the terms of the rider. Please refer to the Limitations and Exclusions for more information. |
| ACCIDENTAL-DEATH BENEFIT RIDER (RIDER ICC18B60052) – PRIMARY INSURED ONLY (ISSUE AGES 18-69) | Aflac will pay an additional amount equal to the face amount selected if your death is the result of a covered accident and occurs within 180 days of the covered accident. Also, we will pay an additional 25 percent of the face amount selected if your death is the result of an automobile accident while you were wearing an unaltered, properly fastened seatbelt installed by the manufacturer, and you were not at fault for the accident, according to the police report. Please refer to the Limitations and Exclusions for more information. |
| CHILD TERM LIFE INSURANCE RIDER (RIDER ICC18B60053) | Aflac will pay \$15,000 for life insurance coverage for each insured dependent child up to age 25.
