### **Accidents can happen at any moment. Let Aflac help ease the financial pain**

Accidents can happen at any time and treating them can be costly. Even with health insurance there may be out-of-pocket costs — causing everyday expenses to suddenly seem overwhelming. Aflac Accident Insurance helps provide financial protection if a covered accidental injury occurs.

Health care costs continue to rise, and health insurance wasn't designed to cover everything. From out-of-pocket medical costs to time away from work, the financial impact can be surprising. Aflac can help cover those costs. Best of all, you get paid directly (unless otherwise assigned) — not the doctor or hospital.

Aflac has been there for our policyholders for nearly 70 years — in some of their most challenging moments. Aflac Accident Insurance can help give you peace of mind if you experience an accidental injury so you can focus on recovery rather than worrying about finances.

Understand the difference Aflac can make in your financial security.

Aflac pays cash benefits for covered accidental injuries directly to you, unless assigned. Your own peace of mind, and the assurance that your family will have help financially, are powerful reasons to consider Aflac.

**ACCIDENT-ONLY COVERAGE**

**REQUIRED DISCLOSURE STATEMENT FOR POLICY FORM SERIES NY38000**

This policy provides **ACCIDENT** insurance only. It does **NOT** provide basic hospital, basic medical or major medical insurance as defined by the New York State Department of Financial Services.

**IMPORTANT NOTICE – THIS POLICY DOES NOT PROVIDE COVERAGE FOR SICKNESS.**

**This IS NOT A MEDICARE SUPPLEMENT policy.** If you are eligible for Medicare, review the *Guide to Health Insurance for People with Medicare* available from Aflac New York.

- (1) Read Your Policy Carefully. This disclosure statement provides a very brief description of the important features of the coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and Aflac New York. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**
- (2) Accident-Only coverage is designed to provide, to persons insured, coverage for certain losses resulting from a covered accident **ONLY**, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- (3) Aflac New York will pay the following benefits as applicable if a Covered Person's Accidental Death or Injury is caused by a covered accident. Accidental-Death or Injury must be independent of Sickness or the medical or surgical treatment of Sickness, or of any cause other than a covered accident. A covered Injury must also occur while coverage is in force and is subject to the Limitations and Exclusions. A charge is not required for benefits to be payable.

**INITIAL TREATMENT BENEFITS**

**Initial Accident Treatment**

Pays \$225 when a Covered Person receives initial Treatment by a Medical Professional as the result of an Injury.

This benefit is payable once per covered accident, per Covered Person. This benefit will not be paid for routine health examinations, immunizations, care received by a chiropractor, or other post-accident care.

This benefit is limited to the maximum number of visits listed below per policy, per Calendar Year based on the Type of Coverage.

| Type of Coverage          | Number of Visits |
|---------------------------|------------------|
| Individual                | 10               |
| Named Insured/Spouse Only | 15               |
| One-Parent Family         | 20               |
| Two-Parent Family         | 25               |

**Ambulance**

Pays the benefit amount listed below when a Covered Person is transported by a licensed professional ambulance company via air, water or ground as the result of an Injury. The benefit amount payable will be based on the type of ambulance.

| Ambulance Type | Benefit Amount |
|----------------|----------------|
| Air or Water   | \$2,500        |
| Ground         | \$400          |

This benefit is limited to two trips per covered accident, per Covered Person.

## CONFINEMENT BENEFITS

Each applicable Confinement Benefit is payable once per day, even if Treatment is received for more than one Injury. The Building Benefit Amount payable will be based on the accrued Building Benefit Year for the policy while coverage remains in force. A Building Benefit Year is a 12-month time period, beginning on the policy Effective Date and ending one year later. Upon completion of each full Building Benefit Year, the Building Benefit Amount will increase until the maximum Building Benefit Amount is reached. Once the maximum is reached, the Building Benefit Amount will no longer increase.

### Initial Hospitalization Admission

Pays the benefit amount listed below for a Covered Person's Hospital Admission or Intensive Care Unit (ICU) Admission as the result of Injuries.

Only one Initial Hospitalization Admission benefit, the highest amount, is payable per covered accident, per Covered Person. If the Hospital confinement follows a previously covered Hospital confinement, it will be deemed a continuation of the first Hospital confinement unless (1) the later Hospital confinement is the result of an entirely unrelated Injury and (2) the Hospital confinements are separated by 14 days or more. If a Covered Person is confined to a Hospital bed and is transferred to the ICU, the difference between the two benefits will be paid.

| Building Benefit Year |         |         |         |         |         |
|-----------------------|---------|---------|---------|---------|---------|
|                       | 1       | 2       | 3       | 4       | 5+      |
| Hospital Admission    | \$1,500 | \$2,000 | \$2,500 | \$3,000 | \$3,500 |

|-----------------------|-------|-------|-------|-------|-------|
|                       | 1     | 2     | 3     | 4     | 5+    |

|-----------------------|-------|-------|-------|-------|---------|
|                       | 1     | 2     | 3     | 4     | 5+      |
| ICU Confinement       | \$600 | \$700 | \$800 | \$900 | \$1,000 |

### Rehabilitation Confinement

Pays \$200 for each day a Covered Person is Confined to a Rehabilitation Facility for at least 18 hours as the result of Injuries.

This benefit is payable for up to 30 days per covered accident, per Covered Person.

**The Rehabilitation Confinement benefit is not payable for the same day(s) that the Hospital Confinement and ICU Confinement benefits are payable. The highest eligible benefit will be paid.**

## NAMED INJURY BENEFITS

The diagnosis, Treatment, and/or procedure(s) must be performed by a Medical Professional.

### Dislocation and Fracture

Pays the benefit amount as listed below when a Covered Person's joint is Dislocated, or a bone is Fractured, based on if the Injury requires surgical repair or non-surgical repair. We will pay the Chip Fracture benefit amount if a Covered Person has a Chip Fracture but surgical repair is not required.

The applicable amount payable for this benefit will be based solely on the body part (joint) Dislocated or body part (bone) Fractured regardless of the number of Dislocations and/or Fractures incurred on the same body part. If a Covered Person suffers multiple Dislocations and/or Fractures of the same body part as the result of one covered accident, we will only pay the applicable Dislocation or Fracture benefit once per body part. If a Covered Person suffers multiple Dislocations and/or Fractures of different body parts as the result of one covered accident, we will pay the applicable amount for each Dislocation and/or Fracture per accident, per Covered Person.
