SPECIFIED-DISEASE INSURANCE

Policy NY78400

Added Protection for You and Your Family

Chances are you know someone who's been affected, directly or indirectly, by cancer. You also know the toll it's taken on them—physically, emotionally, and financially. That's why we've developed the Aflac Cancer Care insurance policy. The plan pays a cash benefit upon initial diagnosis of a covered cancer, with a variety of other benefits payable throughout cancer treatment. You can use these cash benefits to help pay out-of-pocket medical expenses, the rent or mortgage, groceries, or utility bills—the choice is yours.

And while you can't always predict the future, here at Aflac we believe it's good to be prepared. The Aflac Cancer Care plan is here to help you and your family better cope financially—and emotionally—if a positive diagnosis of cancer ever occurs. That way you can worry less about what may be ahead.

HOW IT WORKS

The above example is based on a scenario for Aflac Cancer Care – Premier that includes the following benefit conditions: Physician visit (Cancer Wellness Benefit) of \$100, bone marrow biopsy (Surgical/Anesthesia Benefit) of \$187.50, National Cancer Institute Evaluation/Consultation Benefit of \$1,000, Initial Diagnosis Benefit of \$6,000, venous port (Surgical/Anesthesia Benefit) of \$187.50, Injected Chemotherapy Benefit (10 weeks) of \$9,000, Immunotherapy Benefit (3 months) of \$1,500, Antinausea Benefit (3 months) of \$450, Hospital Confinement Benefit (10-week hospitalization) of \$21,000, Blood/Plasma Benefit (10 transfusions) of \$1,500.

This benefit is limited to 15 days per occurrence of a covered Specified Health Event. **Lodging Benefits are not payable beyond the 180th day following the occurrence of a covered Specified Health Event.** No lifetime maximum.

I. WAIVER OF PREMIUM BENEFIT:

Employed: If you, due to a Specified Health Event, are completely unable to do all of the usual and customary duties of your occupation for a period of 90 continuous days, Aflac will waive, from month to month, any premiums for this rider falling due during your continued inability. For premiums to be waived, Aflac will require an employer's statement and a Physician's statement of your inability to perform said duties, and may each month thereafter require a Physician's statement that total inability continues.

Not Employed: If you, due to a Specified Health Event, are completely unable to perform two or more of the Activities of Daily Living (ADLs) without the assistance of another person for a period of 90 continuous days, Aflac will waive, from month to month, any premiums for this rider falling due during your continued inability. For premiums to be waived, Aflac will require a Physician's statement of your inability to perform said activities, and may each month thereafter require a Physician's statement that total inability continues.

If you die and your spouse becomes the new Named Insured, premiums will start again and be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.

While this benefit is being paid, Aflac may ask for and use an independent consultant to determine whether you can perform an ADL.
